

designed for life

## Keep warm, eat well

Leading SDA brand is Swan is launching a three strong range of Cordless Warming Trays designed to take the heat off the serving pressure and keep it on the food.

Available in 3 sizes, 40x20cm, 60x20cm and 60x30cm all models carry the following specification:

- 1000W heating performance.
- 8-10 minutes heat up time to 150°C.
- Keeps food warm for approximately 1 hour at 60°C.
- Power on and heat-up indicator lights.
- Cool touch handles.
- Contemporary brushed chrome finish.

The new Swan Cordless Warming Trays will be available mid to late June with SRPs of Model SW01SS £39 (40x20cm), Model SW02SS £59 (60x20cm) and Model SW03SS £69 (60x30cm). They will all come in high-visibility packaging with stand-out feature guides.
